POSITION IN *STATISTICS* AT ENSAI (RENNES, FRANCE)

Ref. ENSAI/2020/ST1

ENSAI, the French graduate-level engineering school specialized in Statistics, Data Science and Economics, is currently inviting applications for a position as Associate or Assistant Professor in **Statistics**. The appointment starts in September, 2020, at the earliest. At the level of Assistant Professor, the position is for an initial three-year term renewable for another three years before the tenure evaluation. At the level of Associate Professor, the position is tenured. Salary is competitive according to qualifications. The teaching duties are reduced compared to French university standards. At the appointment, knowledge of French is not required but it is expected that the appointee will acquire a workable knowledge of French in a reasonable time. The school offers resources to learn French.

Candidate Profile:

PhD in Statistics. An expertise in High-dimensional Statistics, Statistical Machine Learning or Stochastic Algorithms will be particularly appreciated.

Applicants will have demonstrated strong ability to teach Master level courses in Applied Mathematics and Statistics for the engineers and to supervise projects in Applied Statistics.

At the Associate Professor level, the candidate will have an outstanding research record and is expected to supervise PhD students.

Applications (in French or in English) should be submitted by email to recruitment@ensai.fr until **April 20, 2020**, with reference ENSAI/2020/ST1 as subject. Documents to include:
- Curriculum vitae;
- A statement of research and teaching interests (2-4 pages);
- Names and addresses of three or more individuals willing to provide letters of reference.
