

Special COVID-19 Protocol for ENSAI Students

IF YOU HAVE COVID-19 SYMPTOMS:

- Continue wearing your mask
- Inform ENSAI immediately by email (covid@ensai.fr)
- If you are at school when symptoms appear:
 - o If your symptoms permit it, leave the building immediately and return home; if already at home, remain there in isolation.
 - o If symptoms become serious when at ENSAI:
 - Go immediately to the front desk, you will be isolated in the infirmary in order to evaluate the situation:
 - o You may have your temperature checked;
 - o You will be asked to call someone close (if possible) to assist you in returning home;
 - o If your case is determined to be serious, emergency services (15) will be contacted for assistance/recommendations.
- Contact a physician (tele-consultation advised); in case of severe symptoms, call emergency services (15)
- Rigorously respect all recommendations given by physician/emergency services (test, self-isolation, preventative measures...)
- If the medical experts recommend self-isolation, and if your health allows it, you will follow courses from home: you must inform ENSAI in this case and follow courses online as instructed by the school
- Keep ENSAI up to date on your situation via covid@ensai.fr
- You may return to school and resume normal activity once you have received authorization from a medical professional (negative test or certificate from a doctor)
